# New Cabin RIB is Here

Our new cabin RIB has arrived – the Ribtec 10.5 metre with twin Yamaha 350 V8 engines. She's an absolutely fantastic boat – looks great and her performance is in a league of it's own.

It is available now with shares on offer from our bases in Southampton, Chichester and Lyminster.

To celebrate her launch, she is being offered at a special introductory price of £29,795 + VAT for a quarter share – we're not expecting shares to be around for long, so call us now for more info or to arrange a demo! You can see her in the flesh on our stand 011 at the Goodwood Festival of Speed, from 3rd to 6th July 2009. We'd be delighted to see you there.

## FALMOUTH UP & RUNNING

Our Falmouth Agent, Cornish Cruising / Falmouth Ribeye is now fully operational with the Plymouth agent soon to be announced.

Falmouth is a truly beautiful area, and is the location for a number of our current fleet of boats in the summer months. If you have a home or second home in that area why not make the most of the lovely coastline with a quarter share in a brand new RIB based at Cornish Cruising / Falmouth Ribeye's convenient marina? Contact us for more information on our South Coast bases.

## COBRA ARRIVING THIS MONTH

We're extremely pleased to announce that our first Cobra 755 arrives shortly. It's fast stylish and rugged and has a particularly long range making day trips to France a tempting option. Many people consider the 7.5m Cobra the ideal sized RIB for cruising with family and friends. If you think she might be right for you please register with us quickly as we expect high demand for this outstanding boat!
