

## Shared Boat Ownership

### Environmental, Occupational Health & Safety Policy

#### SCOPE

- Provision of cost effective, hassle free & incredibly flexible boat ownership.
- Management programme to ensure the boats are professionally maintained.
- Compliance with any legal and regulatory requirements.

#### Our Policy is to fully commit to:

- Providing safe & healthy working conditions for the prevention of work-related injury & ill health.
- Compliance with all relevant environmental legislation, applicable codes of practice.
- Fulfilling our legal & other requirements.
- Eliminating hazards, reducing risks & waste.
- Consultation & participation of staff.

#### This will be achieved by:

- Establishing, implementing & maintaining an Environmental, occupational health & safety policy and relevant procedures.
- Providing the necessary resources.
- Taking early action to address opportunities for improvement.
- Taking effective preventive & protective measures to eliminate hazards & minimize risks.

#### We shall ensure that the policy is:

- Available as documented evidence.
- Communicated within the company.
- Be available to interested parties, as appropriate.
- Be relevant & appropriate.
